GENERAL SALES TERMS – GRUPPO ARGENTINI S.a.s.

1.GENERALS

- 1.1 The supply is subject to the written acceptance by the buyer of these GENERAL SALES TERMS that are an integral part of the supply/sale contract.
- 1.2 The offers that GA submits, except for expressed written dispensation contained in the same offer, have a maximum validity of 30 days. After that deadline, the offer will expire automatically.

2.ORDER PROCEDURES

- 2.1 All the orders have to be sent in writing and complete with every useful information necessary to the correct identification of the products and/or services requested. Verbal or telephonic orders will not be accepted.
- 2.2 The buyer will be able to ask for the cancellation or the modification of the order within 5 working days from the date of the order confirmation by means of written communication. In any case, GA has the right to refuse modifications and/or cancellations of the order with regard to the progress of the very same order.

3.PRICES AND TERMS OF PAYMENT

- 3.1 The prices in this catalogue do not have binding value as they cannot be considered 'retail prices'. The quotations are in Euro currency and are VAT excluded. GA has the right to modify the price lists in any moment giving expressed communication to the customers with a 60 days' notice. The prices applied to the order will be those in effect at the time of the order acceptance.
- 3.2 The payments have to be made in full compliance with the terms set at the moment of the order acceptance or they have to be fixed by specific Supply Contracts.
- 3.3 GA, in case of buyer's delay in fulfillment, in case of high exposure and/or reduction of the credit limit, will have the right to:
- require the advance payment or the payment cash on delivery or the proof of adequate guarantees;
 - completely or partly suspend the execution of the orders in progress at the fulfillment date;
 - cancel the agreed payment extensions, making the current credits immediately payable.

4.RESPONSIBILITY AND DEFECTS COMPLAINT

- 4.1 Except in the case of different agreement between the parties, goods will be returned ex GA warehouse.
- 4.2 The buyer, at the moment of the reception of the goods, is required to verify the quality/quantity in regard to what is specified in the delivery document. In case of anomalies/defects the buyer is required to communicate to GA in written form no later than 3 (three) days from the delivery, the non-conformities found. In case of hidden defects, these will have to be communicated in written form no later than 3 (three) days from the discovery of those defects and in any case no later than 1 (one) year from the delivery.

5.WARRANTY

- 5.1 GA guarantees that the supply complies with the specifications of the order, in full compliance with the current rules and regulations, it is right for the use required and without any defect.
- 5.2 Except for different agreement written in a proper Supply Contract signed by both parties, the warranty on the items supplied has the validity specified on the manual enclosed with every single machinery. The warranty is not valid in case of tampering or of deterioration due to causes not to be attributed to GA, or in case of wrong uses.
- 5.3 In case of technical interventions/services at the buyer's company, even if made during the warranty period, the staff traveling expenses have to be reimbursed by the buyer.
- 5.4 Moreover GA guarantees the respect of all the laws and applicable regulations, included the regulations in the field of occupational safety.

6.JURISDICTION AND APPLICABLE LAW

Any dispute, controversy or claim that may arise out of or in connection with the present document regarding the interpretation of these conditions and/or execution, breach, termination or invalidity thereof, shall be settled by the Court of Venice (Italy). The applicable law is the Italian law.

PRIVACY

- 7.1 With the order transmission the buyer gives his consent to the use of personal data supplied by himself, according to Art. 23 of D. Lgs. 196/2003 and Art. 7 of D. Lgs. 196/2003.
- 7.2 GA informs that, according to the Art. 13 of D. Lgs. June 30th 2003 containing dispositions that protect people and other subjects as regards the processing of personal data, the information collected during the execution of the supply contract will be used in accordance with the law above mentioned, with a particular reference to the privacy, propriety and in full protection of the customer's.
